

At the Foot of the Cross

At the foot of the cross	Intro:			
Where I kneel in adoration	<u>1 1/3</u>	4	<u>1 1/3</u>	4
And I lay my burdens down				
I exchange all my sin	Verse:			
For the promise of salvation	[: <u>1 1/3</u>	4	<u>1 1/3</u>	4:]
And your name across my brow				
	<i>Repeat Verse</i>			
At the foot of the Cross				
I give up my vain ambition	Chorus:			
And I leave my selfish pride	[: <u>6- 5</u>	4	<u>6- 5</u>	4:]
In the peace that is there,				
will You restore my vision?	Verse 3			
In all the places I am blind	Chorus			
<i>I will wait here at the cross</i>	Verse 4			
At the foot of the Cross				
There is healing for this nation	Chorus			
There is rest for those who wait				
And the love that we find	Big Chorus			
is the hope of all creation	<u>6- 5</u>	4	<u>6- 5</u>	4
We are stunned by what You gave	<u>6- 5</u>	4	<u>6- 5</u>	4*
<i>We will wait here at the Cross</i>				
We will wait at the cross,				
a hungry generation				
With our broken hearts and lives				
Will You hear? Will You come?				
Will You fill our desperation?				
Oh God let this be the time
