Beautiful God

Beneath the waters
 I was buried with all of my sin
 And with my Savior
 I have risen to live again

The weight of my sorrow
 Has been lifted and cast in the dark
 The weight of Your glory
 Resting heavy upon my heart

Beautiful God
In this place
You are drawing us close to You
Beautiful God
By Your grace
You are making the old things new
Beautiful God
I will worship You
In the Spirit and in truth
Beautiful God

Here in Your presence
 Are no secrets and nothing to hide
 All of the darkness
 Chased away by your blinding light

Beneath the waters
 I was buried with all of my sin
 And with my savior
 I have risen to live again
