

Come Find Rest

I didn't think that I needed a Shepherd
Thought I could do it all on my own
Wanna be in control
And decide where to go
I didn't see the appeal of still waters
Till my mind was a raging sea
As I waited for sleep
I was longing for peace

My way was a valley
And my heart was full of fear
But the Father calls us to His arms
There is comfort here

*If your soul is weary
If heart is tired
If your eyes are are blurry
From the tears you've cried
Come find rest*

I didn't know I would long for a shepherd
Lay me down on a bed of green
and now that I'm here
I'm in need of nothing

When I go through the valley
My heart need never fear
But the father calls us to his arms
There is comfort here

*If your soul is weary
If heart is tired
If your eyes are are blurry
From the tears you've cried
Come find rest
If your way is winding
If the road is long
When your heart need reminding
That His love is love is strong
Come find rest*

Follow me follow me
Goodness and Mercy
My home is in the house of God
