WORDS

Do Not Be Afraid

Oh do not be afraid
For born to you this day
In the little town of Bethlehem
Is the one who came to save

Oh do not be afraid
But have joy and be on your way
You will find him wrapped in swaddling
clothes
The Messiah here today

Glory in the highest
Let the dark be turned to light
Glory in the highest
For the King, He is alive

Oh do not be afraid
In the trials you will face
Emmanuel is with you now
And His kingdom reigns today

Oh do not be afraid
When the soldiers guard His grave
For Christ has trampled over death
And the stone is rolled away
