Recreated

Stepping out of the dark now
 You lead me into Your glory
 And it's just beginning, let the day begin
 I'm never turning back now
 You've made the way before me
 And it's just beginning, let the day begin
 God Your mercies are new every morning
 And Your love's breaking through like the dawn

*I'm done thinking about
 The mess that I used to be
 I've been recreated
 No more dragging around
 The weight that was holding me
 I am recreated*

Up from the ground beneath me
 I can feel redemption rising
 It's Your kingdom's coming, let Your kingdom come
 I said goodbye to the worry
 Leaving all my past behind me
 Oh Your kingdom's coming, let Your kingdom come
 God Your mercies are new every morning
 And Your love's breaking through like the dawn

I feel the burden lifted
 I can finally breathe
 Cause who the Son sets free
 Is now free indeed
 Every chain is broken
 Heaven's door swings wide
 My heart is open and I
 Come alive, come alive
