

# To Trust Him More

I will not worry for food or drink  
And I will not want for clothes  
For my Father dresses the lilies,  
And my every need he knows

Not a hair shall fall down from my head  
Not a sparrow from the sky  
Without notice notice the Father  
I am precious in his eyes

Chorus:  
Oh, for the grace to trust him more  
Through the calm and the stormy seas  
I surrender my life to the Fathers hands  
Who has sacrificed for me  
Who has sacrificed for me

So I give up my life as an offering  
That is pleasing to my Lord  
My feet shall move at his command  
And my mouth shall speak his words

Tis so sweet  
Tis so sweet  
Oh, to trust him more and more  
Tis so sweet  
Tis so sweet  
Oh, to trust in him, my Lord
